

N1101.8 Certificate Builders Name / Company	Date: _____ Site Address: _____	
	Contractor Name: _____	

	Location	Type of Insulation	Installed R-Value		Type	Location	Size
*	Roof/Ceiling				Makeup Air		
*	Walls				Combustion Air		
*	Slab-On-Grade				Water Heating		
*	Floor				Manufacturing	Model	
*	Rim Joist			Ducts Outside of Conditioned Spaces			
			Interior, Exterior or Integral		Location	R-Value	
*	Foundation Wall						
			Interior, Exterior or Integral				

	Average U-Factor	SHGC (solar heat gain coefficient)		Passive	Active
*	Fenestration		Radon		

	Type	Input Rating	AFUE	Manufacturer	Model	Calculated Heat Loss
●	Heating System					

	Type	Output Rating	SEER	Manufacturer	Model	Cooling Load / Heat Gain
●	Cooling System					

	Type	Location	Continuous Ventilation	Total Ventilation
	Mechanical Ventilation			

* Required Information for Additions

● Required Information for Geothermal Systems
